Re: Selection Status for Architectural/Engineering/Consulting Services – Fruedenthal Library Renovation – Phase 1

Trinidad State College has completed the architectural/engineering/consulting services selection process for the Fruedenthal Library Renovation – Phase 1. As outlined in the RFQ issued January 20, 2022, the selection committee is tasked with selecting the most qualified firm. The committee interviewed three (3) firms: FBT Architects, Handprint Architecture, and studiotrope Design Collective.

The top ranked firm is studiotrope Design Collective. Trinidad State College will be commencing negotiations with studiotrope Design Collective, effective immediately.

If there are any questions about the committee's selection, please contact Danny Rogers at Danny.Rogers@trinidadstate.edu.

Sincerely,

Trinidad State College
