GENERAL INFORMATION

SPRING 2024

Semester Calendar

Please pay special attention to the dates that classes begin and end. Note that arriving late or leaving early may impact your grades.

Credit Hours

For Institutional Scholarships, students must be registered in 15 credit hours. Federal Financial Aid recognizes a student carrying 12 credit hours to be full time.

Arts and Sciences students may not take more than 18 credit hours without approval from the Dean of Instruction.

Course Cancellations

The College reserves the right to cancel programs or courses, to change instructors, and to change times or locations of classes. The Vice President of Academic Affairs will have current, up-to-date information on scheduled classes.

Drops, Withdrawals & Repeating a Course

It's important to know the drop and withdrawal dates for all your classes. The dates are listed on the academic calendar or your individual course syllabus. What's the difference between "drop" and "withdraw"? If you drop a class before the census date, you will not have a financial obligation and you will not use College Opportunity Fund (COF) credits. You can withdraw between the census and withdrawal dates. It won't affect your grade point average, however, you will have a financial obligation, and you will use COF credits.

It is the student's responsibility to drop or withdraw from classes. You can withdraw from courses for the semester you are enrolled in on the student portal. Look at your detailed class schedule available on the Student tab of your Trinidad State Portal for drop and withdraw deadlines specific to each class. It is recommended that you speak with an advisor prior to dropping or withdrawing from a course. It is important to check with the business and

financial aid offices regarding any outstanding balances and/or financial consequences.

If you are an online student, please call one of the advising lines at 719-846-5026 or 719-589-7296 or contact your advisor.

If you are on campus and wish to withdraw, you can do so by contacting your advisor or visiting the advising office on either campus.

If a student decides to withdraw from a class after the Census, but before the last 20% of the class, the grade will be recorded as a "W." A "W" is not counted in computing grade point averages. If a student withdraws during the last 20% of the class, a regular grade will be assigned that does count in computing grade point averages.

A student who earns a grade of D, F, or U may repeat the course once for the purpose of improving the grade point average (GPA). Both grades earned will be entered on the transcript; however, only the highest grade will be counted in calculating the cumulative grade point average. Duplicate credit is not granted for repeating a course.

Tuition Refunds

If a student officially drops from classes prior to the class Census date, there will be no financial obligation. If the student withdraws after the census date, they will be obligated for the cost of the class(es). The College reserves the right to cancel course offerings. Course cancellations will result in a refund of paid tuition.

Registration Deadline

The deadline for registering for classes is the first Friday of class or as designated in the TSC schedule.

Students requesting to register after the deadline date must obtain approval from the Dean of Instruction for late registration authorization.

Tuition Classification

Colorado law requires that students be classified as in-state or out-of-state for tuition

purposes. Tuition classification is based upon information supplied on the application for admission.

Students previously classified as out-of-state may have their classification changed through a Tuition Classification Petition process. Petitions and information concerning documentation may be obtained in the Trinidad campus Registrar's Office or the Valley Campus Admissions Office. Petition applications must be received by either the Registrar's Office or Admissions Office by the first Friday of class each semester. The tuition classification officer must request and maintain adequate documentation to support any applicant's claim for change in status. The policy for tuition classification is outlined in the Colorado Community College System (CCCS) System Procedure 4-40. For more information, go to <https://cccs.edu/policies-and-procedures/system-presidents-procedures/sp-4-40-in-state-tuition-classification/>.

Deadline:

Students have until the first Friday of each semester to submit a petition for change in Tuition Classification. Once the petition is submitted, the College will make a determination by census date.

Tuition Classification Appeal Procedure:

When a decision is rendered and the student is not in agreement with the decision, the student may appeal the decision to the "Student Affairs Committee" by contacting the Dean of Student Retention and Completion. The student will be required to present supporting documentation to a panel of institutional representatives for review and resolution. The student will be notified of the decision made by the appeals panel and the reasons behind the decision. The decision of the appeals committee is final.

Check Requirements

To earn a degree, students must satisfy all course and curriculum requirements for the program under which they are registered and attain a cumulative grade point average of 2.0 or higher.* (* Although a "D" is considered a passing grade, "D's" are not calculated as an earned course toward a degree.) In addition, basic skills courses do not count toward a

GENERAL INFORMATION (continued)

degree. Use the TSC Portal to access Degree Works. Degree Works is a tool available to all students. It provides information on degree progress, required courses and time to completion. Familiarize yourself with the provisions and regulations pertaining to your program. See an Advisor when in doubt. TSC will make every effort to assist you in meeting requirements for graduation.

Final responsibility, however, rests with the student.

If you have completed college courses at a location other than Trinidad State, an official transcript must be sent directly to Trinidad State from the institution where the credits were earned. College transcripts will be evaluated prior to registration to ascertain acceptable credits that apply to the student's program of study. Courses for which the student has earned a grade of "D" or "F" will not be accepted for credit. Students with a GPA below 1.5 may be admitted on academic probation.

In determining academic standing while attending TSC, the GPA of a transfer student is computed on the basis of credits attempted at Trinidad State College only and will not include credits and grade points earned at other colleges.

Up to 45 credits earned at regionally accredited colleges or universities or other approved educational institutions may be applied toward fulfilling TSC program requirements. Please contact the Registrar at 719-846-5550 for more information about accepted transfer credits.

Prior Learning Assessment

The Prior Learning Assessment program, or PLA program, allows students to earn credit for learning that occurs outside the sponsorship of accredited post-secondary education institutions. PLA is not awarded for experience but for college-level learning which entails knowledge, skills, and competencies that students have obtained as a result of their prior learning experiences. Contact the Registrar at 719-846-5550 for more information about how to be awarded prior learning credit.

Transfer of credit for vocational courses are determined by the Dean of Instruction. Contact the Dean at 719-846-5524 on the Trinidad

Campus or 719-589-7064 on the Valley Campus for more information about how to receive vocational course credit.

Residence Halls

There are four residence halls on the Trinidad Campus to house students. (One residence hall will be off-line during academic 2022-2023 for renovation.) The residence halls are staffed with housing employees and a support staff of residence assistants. Students living in the residence halls are required to have a meal plan through the dining hall. The food service company, Sodexo, strives to serve the students with a variety of menus, quality service, and unlimited seconds for most meals. For more information about housing go to: <https://trinidadstate.edu/residence-life/index.html>

Immunization Requirements

Colorado Law (Board of Health rule 6 CCR 1009-2) requires that all full-time students born after January 1, 1957 show proof of immunization against measles, mumps, and rubella. Students residing in student housing are also required to show proof of immunization against meningococcal disease and COVID-19 at the time of housing check in. Certification and waiver forms are available online on the Student Life Housing link under immunization link or at the Student Services Office. The COVID-19 vaccination is not required as a condition of enrollment at the College. The College will provide students with a list of local providers offering the COVID-19 vaccine at no cost.

Student Health Insurance

TSC does not require health insurance for non-athlete students. However, all student athletes must show proof of a student health insurance plan. Trinidad State encourages all students to carry health insurance. For information on student insurance, see the Student Services Office on your campus.

International Students are required to provide evidence of insurance in accordance with the International Student Application process.

TSC Notification System

The TSC Notification System provides text messages, phone messages and email

notices regarding campus closures, campus emergencies and student notifications.

TSC uses the notification system to communicate with the campus community in the event of a crisis, emergency or timely warning. To confirm accurate contact information, login to the TSC Portal and click on the Notify Me link.

Student Complaints

Students or prospective students who wish to file a complaint related to accreditation or grievance may submit a formal written Student Grievance in the Student Services Office of either campus, or at 600 Prospect Street, Berg Office 210, Trinidad, Colorado 81082, or by going online and filling out the form electronically at <https://trinidadstate.edu/students-current/complaints.html>

Complaints regarding accreditation can also be made by contacting the Higher Learning Commission 230 North La Salle Street, Suite 7-500, Chicago, IL 60604, telephone: 1-800-621-7440 <https://www.hlcommission.org/Students-Communities/complaints.html>

Military/Veterans and Their Families

Trinidad State College takes pride in being able to meet the educational needs of military service members, their families and veterans. The college is approved by the Colorado State Approving Agency for Veterans Education. Military tuition assistance, veteran's education benefits, and veteran's vocational rehabilitation are administered by the Financial Aid Office on both campuses.

Each semester, active duty military members and veterans and /or beneficiaries using or wanting to use educational benefits must report to the Financial Aid Office after completing the enrollment process. To maintain educational benefits in good standing students must immediately inform the Financial Aid Office if you:

- drop, add or audit classes;
- stop attending classes;
- have a class canceled, withdraw or are withdrawn from classes or the college;
- are unable to attend classes; or
- make any changes to your enrollment status.

GENERAL INFORMATION (continued)

TSC students using a military benefit must complete paperwork with the TSC Financial Aid Office each semester. To make an appointment to review your benefits, verification, intent to register or related questions, contact Financial Aid at 719-846-5017. For more information, visit the TSC website for Veteran Benefits or stop by the Financial Aid Office on your campus.

Student Bill of Rights

The Colorado Student Bill of Rights focuses on various aspects of student academic life including advising, transferability of credits, and degree completion.

One segment of the Student Bill of Rights notes that a student may formalize a plan to obtain a degree in two years. Trinidad State College supports this timeline for graduation by publishing program pathway guidelines under which a full-time student may expect to graduate or complete and provides degree checklists through the Degree Works tool on the student portal. Program pathways are available online at <https://trinidadstate.edu/pathways/> and degree check on the TSC portal.

There are some majors, which may require additional degree requirements as recognized by the Colorado Department of Higher Education. For more information, or to read the Colorado Student Bill of Rights, go to <https://cdhe.colorado.gov/what-student-bill-rights> or see your Advisor in the on either campus.

Student Rights/FERPA

The Family Educational Rights and Privacy Act (FERPA) of 1974 restricts the release of student information to the public without the consent of the student, except for directory information. Directory information includes name, major field of study, enrollment status, dates of enrollment, degrees and honors earned, participation in officially recognized activities and sports. Additional items for college athletes are height, weight and high school attended. The Solomon Amendment requires institutions receiving federal funds to provide additional directory information that includes address and phone number of enrolled students to the US Military. Directory information is limited to the current academic

year only. If a student does not wish TSC to release the directory information, a written request must be submitted in the Student Services Office before the end of the first week of classes. Your request will remain in effect until you formally cancel it. For more information, contact the Registrar directly at 719-846- 5550 for special accommodations.

Jeannie Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

The Clery Act Disclosure and TSC Campus Crime Statistics are accessible on the TSC Website: <https://trinidadstate.edu/safe-campus/>. Hard copies are also available through the Student Services Office on each campus. Sexual assault protocols and victims' rights provisions are described on the safe campus link on the TSC website at <https://trinidadstate.edu/safe-campus/>. Victims are encouraged to report. Help is available.

Sex offender information is available at Colorado's Convicted Sex Offender website: <https://apps.colorado.gov/apps/dps/sor/>

Notification to the campus community will be sent following the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff. TSC uses the Notify Me system for this notification.

In an emergency, Dial 911. Report crimes, violations, accidents, suspicious persons and incidents to the Campus Resource Officer on your campus or the Dean of Student Retention and Completion at 719-846-5458.

Return of Title IV Federal Financial Aid

When a Title IV Financial Aid recipient completely withdraws from TSC prior to the end of the term, a refund of the aid will be calculated. The calculation will be based on the number of days attended compared to the total number of days in the semester.

Withdrawal after 60% of the term is not subject to the return calculation. Aid used for tuition, fees, books, and room/board will be refunded by both the student and the College. For a complete outline of the return of the Title IV process please go to <https://trinidadstate.edu/fia/return4.html> or see the TSC Catalog.

Non-Discrimination

The College prohibits and will not tolerate discrimination or harassment that violates federal, state law, or Board Policy 3-120 or Board Policy 4-120. The College does not discriminate on the basis of gender (or gender identity), sex, race, color, age, creed, national or ethnic origin, genetic information, physical or mental disability, veteran status, pregnancy status, religion or sexual orientation.
