**NOTE: Tuition is based on the tuition rate for the 2017-2018 academic year. Cost of books is subject to change. Listed book prices are approximate (generally estimated on the high side), depending on availability of used or rental books vs. new. Prices listed above are based on new book pricing. Also, book pricing for each particular course assumes that the student has taken the previous listed courses, as some textbooks are used for more than one course. Prices for optional textbooks and shipping fees are NOT included.
