is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. Other acts can also be forms of sex-based discrimination and are also prohibited whether sexually based or not and include dating violence, domestic violence, and stalking. As a result, Trinidad State Junior College issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct, educational programs, and procedures that address sexual assault, domestic violence, dating violence, and stalking, whether the incident occurs on or off campus and when it is reported to a College official. In this context, Trinidad State Junior College prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the College community.

Trinidad State Junior College is a part of the Colorado Community College System (CCCS) and is governed by the State Board for Community Colleges and Occupational Education (SBCCOE). For a complete copy of the SBCCOE Board Policies (BP) governing sexual misconduct, visit https://www.cccs.edu/about-cccs/state-board/policies-procedures/. A. Definitions

Consent, Unlawful Sexual Behavior-Colorado Revised Statutes (C.R.S.) 18-3-401, means cooperation in act or attitude pursuant to an exercise of free will and with knowledge of the nature of the act. A current or previous relationship shall not be sufficient to constitute consent. Submission under the influence of fear shall not constitute consent.

Sexual Assault-C.R.S. 18-3-402, Colorado law defines sexual assault as any actor who knowingly inflicts sexual intrusion or sexual penetration on a victim commits sexual assault if:

- The actor causes submission of the victim by means of sufficient consequence reasonably calculated to cause submission against the victim's will; or
- The actor knows that the victim is incapable of appraising the nature of the victim's conduct; or
• The actor knows that the victim submits erroneously, believing the actor to be the victim's spouse; or
• At the time of the commission of the act, the victim is less than fifteen years of age and the actor is at least four years older than the victim and is not the spouse of the victim; or
• At the time of the commission of the act, the victim is at least fifteen years of age but less than seventeen years of age and the actor is at least ten years older than the victim and is not the spouse of the victim; or
• The victim is in custody of law or detained in a hospital or other institution and the actor has supervisory or disciplinary authority over the victim and uses this position of authority to coerce the victim to submit, unless the act is incident to a lawful search; or
• The actor, while purporting to offer a medical service, engages in treatment or examination of a victim for other than a bona fide medical purpose or in a manner substantially inconsistent with reasonable medical practices; or
• The victim is physically helpless and the actor knows the victim is physically helpless and the victim has not consented.

**Sexual Assault on a Child**—C.R.S. 18-3-405, means any actor who knowingly subjects another not his or her spouse to any sexual contact commits sexual assault on a child if the victim is less than fifteen years of age and the actor is at least four years older than the victim.

**Domestic Violence**—C.R.S. 18-6-800.3 means an act or threatened act of violence upon a person with whom the actor is or has been involved in an intimate relationship. Domestic Violence also includes any other crime against a person, or against property, including an animal or any municipal ordinance violation against a person, or against property, including an animal, when used as a method of coercion, control, punishment, intimidation, or revenge directed against a person with whom the actor is or has been involved in an intimate relationship.

**Dating Violence**—There is no Colorado state law on dating violence; therefore the college abides by the definition used in the Violence Against Women Reauthorization Act (VAWA) of 2013.

**Dating Violence** means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

For purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

**Stalking**—C.R.S. 18-3-602, means a person commits stalking if directly, or indirectly through another person, the person knowingly:
• Makes a credible threat to another person and, in connection with the threat, repeatedly follows, approaches, contacts, or places under surveillance that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship; or
• Makes a credible threat to another person and, in connection with the threat, repeatedly makes any form of communication with that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship, regardless of whether a conversation ensues; or
• Repeatedly follows, approaches, contacts, places under surveillance, or makes any form of communication with another person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship in a manner that would cause a reasonable person to suffer serious emotional distress and does cause that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship to suffer serious emotional distress. For purposes of this paragraph (c), a victim need not show that he or she received professional treatment or counseling to show that he or she suffered serious emotional distress.

Additional definitions as it relates to “Stalking” under Colorado law:

• Conduct "in connection with" a credible threat means acts that further, advance, promote, or have a continuity of purpose, and may occur before, during, or after the credible threat.

• "Credible threat" means a threat, physical action, or repeated conduct that would cause a reasonable person to be in fear for the person's safety or the safety of his or her immediate family or of someone with whom the person has or has had a continuing relationship. The threat need not be directly expressed if the totality of the conduct would cause a reasonable person such fear.

• "Immediate family" includes the person's spouse and the person's parent, grandparent, sibling, or child.

• "Repeated" or "repeatedly" means on more than one occasion.

B. **Education and Prevention Programs**

The College engages in comprehensive educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and faculty that:

• Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
• Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
• Defines what behavior and actions constitute consent to sexual activity in the State of Colorado;
• Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander.
• Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks.
• Provides an overview of information contained in the Annual Security Report (ASR) in compliance with the Clery Act.

Educational programs are offered to raise awareness for all incoming students and employees, and are often conducted during new student and new employee orientation and throughout an incoming student’s first semester. These programs and others offered throughout the year include strong messages regarding not just awareness, but also primary prevention. Bystander engagement is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, using intervention-based apps, identifying allies and/or creating distractions.

Programs also offer information on risk reduction that strives to empower victims, how to recognize warning signals and how to avoid potential attacks, and do so without victim-blaming approaches. Throughout the year, ongoing awareness and prevention campaigns are directed to students and employees, including faculty, often taking the form of campaigns, emails, guest speakers and events such as the mandatory for all students “Sexual Assault Awareness” Presentation, August 21, 2013. In addition, targeted populations like the TSJC Softball team have participated in “Alcohol, Drug Use and Sexuality” presentations on September 9, 2013.

The College has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; TSJC presents information on “Safe Spring Break” annually the week before spring break; prevention strategies are discussed at residence hall meetings the first week of each semester and prevention information is posted in residence halls to promote awareness and resources for students. Passive programming through postings throughout campus also provide information for students and staff.

The College offered the following primary prevention and awareness programs for all incoming students in 2013:

Trinidad State Junior College offered the following prevention and awareness programs for all students in 2013:

Safe Spring Break – Event designed to promote healthy choices as students prepare to leave campus for spring break. Alcohol and drugs are often associated with spring break
on college campuses. TSJC provides students with an opportunity to receive information on the dangers of alcohol and binge drinking prior to spring break. One of the tools used during the event is the Safe Spring Break Pledge. The purpose of the pledge is to remind student of the risks associated with alcohol use and provide tips for maintaining sobriety.

Stress Free Days – activities held before final exams each semester. Students can participate and receive chair massages while enjoying their favorite tea. The purpose is to provide alternative means of releasing stress rather than drinking or doing drugs.

Distracted Driving – a program that is intended to educate students on the risks associated with texting, phone use, drinking and driving and other situations that may cause a driver to lose focus.

Health Jeopardy – addresses many aspects of maintaining a healthy life including questions related to drug and alcohol use through a fun interactive game/activity.

The College offered the following primary prevention and awareness programs for all new employees in 2013:

C. Procedures for Reporting a Complaint

The College has procedures in place that serve to be sensitive to those who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of medical, counseling and support services, and additional remedies to prevent contact between a complainant and an accused party, such as housing, academic, transportation and working accommodations, if reasonably available. Students and employees should contact the Title IX Coordinator or the Vice President of Student Affairs. On the Trinidad Campus contact Title IX Coordinator, Lorrie Velasquez, 719-846-5534; Vice President of Student Affairs, Kerry Gabrielson, 719-846-5643. On the Valley Campus contact Title IX Coordinator, Rachel Doyle, 719589-7022; Dean of Students, Robert Martinez, 719-589-7050.

After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible at Mount San Rafael Hospital on the Trinidad Campus and the San Luis Valley Regional Medical Center on the Valley Campus. In Colorado, evidence may be collected even if you choose not to make a report to law enforcement. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence as may be necessary to the proof of criminal activity may be preserved. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that
would be useful to College hearing boards/investigators or police. Although the College strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether or not to make such a report and victims have the right to decline involvement with the police. TSJC staff will assist any victim with notifying local police if they so desire. On the Trinidad Campus, contact Michelle Black, Director of Student Life, 719-846-5517. On the Valley Campus, contact Robert Martinez, Dean of Students, 719-589-7050.

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Title IX Coordinator, Lorrie Velasquez, 600 Prospect Street, Berg Building, Room 108, Trinidad, Colorado, 81082. Telephone (719) 846-5534 and campus security (if the victim so desires). On the Valley Campus, contact Rachel Doyle, Title IX Coordinator, 1101 Main Street, Alamosa, Colorado 81101. Telephone (719) 589-7022.

The Title IX Coordinator is ultimately responsible to assure in all cases that the behavior is brought to an end, Trinidad State Junior College acts to reasonably prevent its recurrence and the effects on the victim and the community are remedied. The Coordinator is also responsible to assure that training is conducted annually for all advocates, investigators, hearing officers, panelists and appeals officers that encompasses a hearing process that protects the safety of victims and promotes accountability. Training will focus on sexual misconduct, domestic violence, dating violence, sexual assault, stalking, sexual harassment, retaliation and other behaviors that can be forms of sex or gender discrimination covered by Title IX and Clery Act. Training will help those decision-makers in the process to protect the safety of victims and to promote accountability for those who commit offenses.

The College will provide resources to persons who have been victims of sexual assault, domestic violence, dating violence, or stalking, and will apply appropriate disciplinary procedures to those who violate this policy. The procedures set forth below are intended to afford a prompt response to charges of sexual assault, domestic or dating violence, and stalking, to maintain confidentiality and fairness consistent with applicable legal requirements, and to impose appropriate sanctions on violators of this policy.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Title IX Coordinator to preserve evidence in the event that the victim changes her/his mind at a later date.

If a report of domestic violence, dating violence, sexual assault or stalking is reported to the College, the below are the procedures that the College will follow as well as a statement of the
standard of evidence that will be used during any judicial hearing on campus arising from such a report:

D. Assistance for Victims: Rights & Options

Regardless of whether a victim elects to pursue a criminal complaint, the College will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights. In Colorado, a victim of domestic violence, dating violence, sexual assault or stalking has the following rights:

Rights Afforded to Victims-C.R.S. 24-4.1-302.5

In order to preserve and protect a victim's rights to justice and due process, each victim of a crime shall have the following rights:

- The right to be treated with fairness, respect, and dignity, and to be free from intimidation, harassment, or abuse, throughout the criminal justice process;
- The right to be informed of, be present or not present, and without submitting a written request for notification, for all critical stages of the criminal justice process as specified in state statute (C.R.S. 24-4.1-302(2));
- The right to be informed of the filing of a petition by a perpetrator of the offense to terminate sex offender registration pursuant to section 16-22-113(2)(c), C.R.S.;
- The right to be informed, upon request by the victim, when a person who is accused or convicted of a crime against the victim is released or discharged from county jail; and
- The right to be informed, upon written request by the victim, when a person who is accused or convicted of a crime against the victim is released or discharged from custody other than county jail, is paroled, escapes from a secure or nonsecure correctional facility or program, or absconds from probation or parole.

Further, Trinidad State Junior College complies with Colorado law in recognizing orders of protection by: informing security, faculty and appropriate staff who may need to support protection order compliance. The Student Life Director on the Trinidad Campus and Dean of Students on the Valley Campus maintain a database of all protective orders for current students.

Any person who obtains an order of protection from Colorado or any reciprocal state should provide a copy to the Student Life Director, Michelle Black on the Trinidad Campus and the Dean of Students, Robert Martinez on the Valley Campus and the Office of the Title IX Coordinator. A complainant may then meet with campus security to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but in not limited to: escorts, special parking arrangements, allowing a student to complete assignments from home, relocating a residence hall assignment etc.).
Protection from abuse orders may be available through an Emergency Protection Orders, C.R.S. 13-14-103.

Any county or district court shall have the authority to enter an emergency protection order, which may include:

- Restraining a party from contacting, harassing, injuring, intimidating, threatening, molesting, touching, stalking, sexually assaulting or abusing any other party, a minor child of either of the parties, or a minor child who is in danger in the reasonably foreseeable future of being a victim of an unlawful sexual offense or domestic abuse;
- Excluding a party from the family home or from the home of another party upon a showing that physical or emotional harm would otherwise result;
- Awarding temporary care and control of any minor child of a party involved;
- Enjoining an individual from contacting a minor child at school, at work, or wherever he or she may be found;
- Restraining a party from molesting, injuring, killing, taking, transferring, encumbering, concealing, disposing of or threatening harm to an animal owned, possessed, leased, kept, or held by any other party, a minor child of either of the parties, or an elderly or at-risk adult; or
- Specifying arrangements for possession and care of an animal owned, possessed, leased, kept, or held by any other party, a minor child of either of the parties, or an elderly or at-risk adult.

In cases involving a minor child, the juvenile court and the district court shall have the authority to issue emergency protection orders to prevent an unlawful sexual offense, or to prevent domestic abuse, when requested by the local law enforcement agency, the county department of social services, or a responsible person who asserts, in a verified petition supported by affidavit, that there are reasonable grounds to believe that a minor child is in danger in the reasonably foreseeable future of being the victim of an unlawful sexual offense or domestic abuse, based upon an allegation of a recent actual unlawful sexual offense or domestic abuse or threat of the same. Any emergency protection order issued shall be on a standardized form prescribed by the judicial department and a copy shall be provided to the protected person.

A verbal emergency protection order may be issued only if the issuing judge finds that an imminent danger in close proximity exists to the life or health of one or more persons or that a danger exists to the life or health of the minor child in the reasonably foreseeable future.

To the extent of the victim’s cooperation and consent, College offices, including the TSJC Behavioral Intervention Team (BIT). Team members include staff and faculty representatives throughout both campuses. Team members work cooperatively to ensure that the complainant’s health, physical safety, work and academic status are protected, pending the outcome of a formal College investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services and assistance in notifying appropriate local law enforcement. Support for victim accommodations are coordinated through the Title IX Coordinator on each campus.
Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The College does not publish the name of crime victims nor house identifiable information regarding victims in the Daily Crime Log or online. Victims may request that directory information on file be removed from public sources by request. A change in directory information should be made to the Office of the Registrar at 719-846-5550.

E. Adjudication of Violations

Whether or not criminal charges are filed, the College or a person may file a complaint under the Civil Rights Grievance and Investigation Process. If the respondent to a complaint is a CCCS employee, authorized volunteer(s), guest(s), or visitor(s), SP 3-50b will apply. If the respondent is a student, SP 4-31a applies. The procedures can be located at https://www.cccs.edu/about-cccs/state-board/policies-procedures/. Reports of all domestic violence, dating violence, sexual assault and stalking made are automatically be referred to the Title IX Coordinator for investigation regardless if the complainant chooses to pursue criminal charges.

The College’s civil rights grievance and investigation process, as well as the discipline process, will provide prompt, fair, and impartial investigation and resolution that is:
- Completed within reasonably prompt timeframes which, pursuant to our procedure, is sixty (60) days. If the college finds it necessary to extend this timeline, they may do so for good cause. The college will provide written notice to the accuser and the accused of the delay and the reason for the delay;
- The processes shall be conducted in a manner that is transparent to the accuser and accused;
- The processes allow for timely notice of meetings at which the accuser or accused, or both, may be present;
- Provides timely access to the accuser, the accused, and appropriate officials to any information that will be used after the fact-finding investigation but during the disciplinary meetings and hearings; and
- Conducted by officials who do not have a conflict of interest or bias for or against the accuser or the accused.

All college officials involved with the investigation and discipline process are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking. These employees are taught how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability.

After the civil rights grievance and investigation process is concluded, the findings are shared with the disciplinary authority to begin the college’s discipline process.

If the accused is an employee, sanction decisions are outlined in:
- For faculty, disciplinary action will be in compliance with BP 3-20: https://www.cccs.edu/wp-content/uploads/2012/08/BP3-20.pdf
- For classified employees, disciplinary action will be taken pursuant to the State Personnel Rules and Regulations: https://www.colorado.gov/spb/rules-0
- For administrative and professional/technical employees, there is no specific procedure outlined on discipline; therefore the appointing authority will conduct a discipline process as outlined above.
For authorized volunteers, guests and visitors, there is no specific applicable procedure; therefore the appointing authority will conduct a discipline process as outlined above.

If the accused is a student, SP 4-30, Student Disciplinary Procedure, applies. The procedure can be located at [https://www.cccs.edu/about-cccs/state-board/policies-procedures/](https://www.cccs.edu/about-cccs/state-board/policies-procedures/).

The discipline process, in all cases, provides that:

1. The accuser and the accused each have the opportunity to meet with the CSSO, for students, or the Appointing Authority/Disciplinary Authority, for CCCS employees, authorized volunteers, guests and visitors;

2. Attend a hearing before a properly trained hearing panel or person;

3. The accuser and the accused each have the opportunity to be advised by a personal advisor of their choice, at their expense, at any stage of the process and to be accompanied by that advisor at any meeting or hearing; however, the complainant(s) or respondent(s) cannot be represented by an attorney or law student (legal counsel) unless civil or criminal actions concerning the particular incident in question are pending. Under those limited exceptions, the legal counsel’s role shall be advisory only. The party represented by legal counsel must notify the investigator(s) forty-eight (48) hours in advance of any scheduled meeting so that the investigator(s) can notify the other party.

   An advisor may only consult and advise his or her advisee, but not speak for the advisee at any meeting or hearing. These procedures are entirely administrative in nature and are not considered legal proceedings.

4. An employee and student conduct decision is based on the preponderance of evidence standard, i.e. “more likely than not to have occurred” standard. In other words, the conduct process asks: “is it more likely than not that the accused violated SBCCOE Policy or CCCS or College Procedure?”;

5. The accuser and the accused will be notified simultaneously in writing of the outcome of any disciplinary proceeding, as well as any changes to those result or disciplinary actions prior to the time that such results become final and shall be given the rationale for the discipline decision.

When a complainant does not consent to the disclosure of his or her name or other identifiable information to the alleged perpetrator, the College’s ability to respond to the complaint may be limited.
Confidentiality
The College will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law.

Sanctions and Protective Measures
In all cases, investigations that result in a finding of more likely than not that a violation(s) has occurred may lead to the initiation of disciplinary procedures against the accused individual. Examples of college sanctions may include, but are not limited to:

- For students—warning, probation, fines, restitution, denial of privileges, assignment to perform services for the benefit of the college or community, suspension, expulsion, or “No trespass” directive (PNG).
- For CCCS employees—warning, written warning, corrective actions, probation, restitution, denial of privileges, suspension, demotion, termination of employment, or “No trespass” directive (PNG).
- For authorized volunteers, guest(s), or visitors—warning, writing warning, denial of privileges, dismissal from college, or “No trespass” directive (PNG).

Additionally, the College may implement protective measures following the report of domestic violence, dating violence, sexual assault and/or stalking which may include some or all of the following actions:

- Relocation of residence hall assignments
- Encourage them to change their directory information status
- Campus escorts to classes
- Encourage participation in a personal protection/awareness class
- Refer student to Counseling services
- Refer student to online support and classes as appropriate

For students, sexual assault, domestic violence, dating violence, and stalking are violations of the Student Conduct Code. Employees who violate this policy will be subject to discipline, up to and including termination of employment. Sexual assault, domestic violence, dating violence, and stalking are criminal acts which also may subject the perpetrator to criminal and civil penalties under federal and state law.

The Title IX Coordinator will determine whether interim interventions and protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: an order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator’s directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by Trinidad State Junior College.
Sex Offender Registration
In accordance to the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the College is providing a link to the Colorado State Sex Offender Registry. All sex offenders are required to register in the state of Colorado and to provide notice of each institution of higher education in Colorado at which the person is employed, carries a vocation or is a student.

In Colorado, convicted sex offenders must register with the Colorado Bureau of Investigation (CBI). The Colorado sex offender website is https://www.colorado.gov/apps/cdps/sor/. You can link to this information, which appears on CBI’s website, by accessing http://www.trinidadstate.edu/administration/legal-notices#offender

Prohibition on Retaliation
An institution, or an officer, employee, or agent of an institution, may not retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights or responsibilities under any provision in this policy.

**TSJC Fire Safety Policies**

TSJC is a tobacco free campus. Smoking in all of its varieties is prohibited. Due to the limitations of electrical circuits and for a variety of safety reasons, electric appliance usage is limited in the residence hall rooms. Acceptable electric appliances with proper care and usage within student rooms include:

- Small refrigerator (up to 4.6 cubic feet)
- Microwave oven
- Coffee Pot
- Hot air popcorn popper
- Hairdryer
- Curling iron/curlers/flat iron
- Clothes iron
- Television
- Radio and stereo
- Computer
- Fan
- Blu-ray/DVD player/VCR

All heat producing electrical appliances must be plugged directly into a wall outlet and need to be U/L approved. Residence hall rooms are not equipped to support the use of cooking appliances with the exception of microwave ovens. The use of extension cords is prohibited although students may use power strips that contain surge protectors.
At no time may any flammables be stored in or around living areas including fireworks, candles and incense. Open flame or combustibles including, but not limited to, candles, incense, oil burning lamps and potpourri pots may not be burned in any residential unit. Fuel driven vehicles (e.g., motorcycles, mopeds, etc.) may not be stored in student housing.

Safety concerns prohibit live Christmas trees and large decorative Christmas lights in residence halls. Small, decorative, artificial Christmas trees are permitted. Fire safety concerns also prohibit posters, tapestries, etc. to be hung or placed on ceilings. Hallways, stairwells and exits must remain free of debris, personal items, and decorations.

Students or students’ guests must not tamper with the heating system, college appliances, locks, entrance or hall doors, lights, smoke detectors or make any alterations of any kind to the premises.

Once each semester the Student Life and Residence Hall Staff, in cooperation with the Physical Plant staff, conduct Fire and Life Safety Inspections. The purpose of these inspections is to find fire hazards, maintenance issues and other facility related concerns and ensure compliance with the above guidelines.

**Reporting a Fire:** Residence Halls have central fire alarm systems. In the event of a fire, activate the nearest fire alarm pull station, close windows and doors and evacuate the building according to the posted evacuation routes. When you are a safe distance from the building, call 9-1-1 and then call or have someone else call Campus Safety at (719) 845-6042. Stay away from the building until you are informed by Residence Life or Campus Security personnel it is safe to return.

**Fire Drills:** Fire drills are held at least once within the first month of the Fall and Spring semesters. Additional drills are held as needed throughout the year. When the alarm is engaged, students must evacuate the building and meet in the following areas:

- Huggins Hall – Field in front of Huggins Hall
- Johnson Hall – Tennis courts east of Johnson Hall
- O’Connor Hall – Grass area north of the Berg Building
- Romero Hall – Grass area north of the Berg Building

Residence Life and Housing personnel confirm that all students are out of the buildings at this time.

**Fire Safety Education:** Fire safety measures are a part of the Residence Life personnel training and are also discussed in the residence hall meetings at the beginning of each academic year.

**Fire Log:** A daily fire log is maintained by the Physical Plant Director and includes information for all campuses. Viewing is available by appointment between 8 a.m. and 5 p.m. Monday through Friday and can be scheduled by contacting the Physical Plant at (719)846-5618.
