Basic Photography

TRINIDAD STATE CONTINUING & COMMUNITY EDUCATION

Basic Photography

*1-2 p.m. Fridays, March 31, April 7, April 14, April 21, April 28 and May 5
in the Boyd Building, Trinidad Campus*

Students will learn about their camera and its controls including F stops, shutter speeds, and ISO will be covered. Students will learn how to manually set their camera to take great photographs. You will need a camera that can be set on manual and be able to adjust the F stops, shutter speed, and ISO. Please bring your camera and the manual to class.

Tuition for the series is \$40. **For additional information or to register, contact Donna at 719-846-5724.**

Instructor: Brad Kirby has had a commercial photography studio since 1986 and has been teaching photography for the last six years at Collin County Community College in Dallas, Texas.
