Federal Loan Default Clearance

Student ID Number ___________________________  Printed Name__________________________________

Our records indicate that you are in default on a prior Federal student loan(s). Regulations hinder us from disbursing any further federal, state, or institutional aid until this has been resolved. In order for TSJC to determine if you are eligible for additional aid, please follow the instructions below. Future aid is not guaranteed until this has been processed and approved.

1.) To learn about default including the implications and resolution options, please visit this web link:  
   http://studentaid.ed.gov/repay-loans/default

2.) Visit the National Student Loan Data System at www.nslds.ed.gov. Click Financial Aid Review, and enter your demographic information when prompted. Your personal and detailed loan history will appear.

3.) Determine which of your loan(s) is in default and contact the listed servicer(s) to discuss resolution. Please note this can take several weeks or months, depending on the resolution method chosen.

4.) Once your defaulted loan(s) have been resolved, obtain written documentation from your Servicer/Guarantor or the U.S. Department of Education. This is called a Default Clearance Letter and must be on their letterhead.

5.) Submit this completed form to the Financial Aid Office along with your documentation showing the default(s) have been cleared. Afterward, the Default Management Coordinator will contact the student to discuss in detail the information written below.

Please explain why default occurred on your prior loan(s):
