Pursuant to the authority vested in the Governor of the State of Colorado and, in particular, pursuant to Article IV, Section 2 of the Colorado Constitution and the relevant portions of the Colorado Disaster Emergency Act, C.R.S. § 24-33.5-701 *et seq.*, I, Jared Polis, Governor of the State of Colorado, hereby issue this Executive Order amending, restating, and extending Executive Orders D 2020 039, D 2020 067, D 2020 092, D 2020 110, D 2020 138, D 2020 164, D 2020 190, D 2020 219, D 2020 237, D 2020 245, D 2020 276, D 2020 281, D 2021 007, D 2021 035, D 2021 056, D 2021 079, and D 2021 095, ordering individuals in Colorado to wear a medical or non-medical face covering in certain settings due to the presence of coronavirus-2019 (COVID-19) in Colorado.

I. Background and Purpose

On March 5, 2020, the Colorado Department of Public Health and Environment's (CDPHE) public health laboratory confirmed the first presumptive positive COVID-19 test result in Colorado. Since then, the number of confirmed cases has continued to climb, and we have evidence of widespread community spread throughout the State. I verbally declared a disaster emergency on March 10, 2020, and on March 11, 2020, I issued the corresponding Executive Order D 2020 003, as amended and extended by Executive Orders D 2020 018, D 2020 032, D 2020 058, D 2020 076, D 2020 109, D 2020 125, D 2020 152, D 2020 176, D 2020 205, D 2020 234, D 2020 258, D 2020 264, D 2020 268, D 2020 284, D 2020 290, D 2020 296, D 2021 009, D 2021 022, D 2021 028, D 2021 045, D 2021 061, D 2021 068, D 2021 087, and D 2021 102. On March 25, 2020, I requested that the President of the United States declare a Major Disaster for the State of Colorado, pursuant to the Stafford Act. The President approved that request on March 28, 2020.

My administration, along with other State, local, and federal authorities, has taken a wide array of actions to mitigate the effects of the pandemic, prevent further spread, and protect against overwhelming our health care resources.

Coloradans started to access the COVID-19 vaccine on December 14, 2020, and the general population of the State of Colorado became eligible to receive the COVID-19 vaccines on April 2, 2021. As more and more individuals are vaccinated in Colorado and throughout the

globe, evidence is growing that those who are fully vaccinated can safely resume their normal activities without fear of contracting or spreading COVID-19. On May 13, 2021, the Centers for Disease Control and Prevention (CDC) outlined new mask guidance for vaccinated and unvaccinated individuals. In accordance with this guidance, we must continue to take measures to facilitate reopening the economy while protecting public health by incorporating best practices to protect individuals from infection.

Executive Order D 2021 079 amended, restated, and extended the prior Executive Orders relating to face coverings. Executive Order D 2021 095 amended and extended Executive Order D 2021 079. This Executive Order amends, restates, and extends the prior Executive Orders relating to face coverings to align guidance in Colorado with the new CDC guidance.
