

ABOUT TRINIDAD STATE

FINANCIAL AID

Financial Aid

The Office of Financial Aid gives counsel to students and/or parents and administers funds that are designed to assist students in meeting their educational expenses. Trinidad State College participates in grant, work-study, loan programs and scholarships. Funding sources for these programs include federal, state, institutional, and private sources. Information regarding financial aid programs may be obtained in the Trinidad State College Financial Aid Office. We will assist students to develop a plan to finance their college education which may involve drawing on a number of aid sources. Our school code when filling out the Free Application for Federal Student Aid (FAFSA) is 001368.
