REGISTRATION HOLDS

Academic and administrative offices may place a hold on your registration, which prevents registering or changing your registration schedule. Holds are placed for a variety of reasons (academic, financial, etc.). Failure to meet a payment deadline will result in a financial hold which prevents schedule changes. Only the office that places the hold can remove the hold. If a hold was placed on your registration after you have registered, your registration will not be automatically cancelled. However, you will not have registration access to adjust your schedule for subsequent terms until the holds are cleared.

A registration hold is placed on all new student accounts.

It will be removed once the student has met with an Advisor. The student must clear each hold with the office involved before they can access registration. It is the student's responsibility to ensure that course drops, withdrawals and deadlines are met regardless of a hold status on a student account. If a student has a hold and needs to drop or withdraw from a course, they will need to contact their advisor to do so.
