At Trinidad State we believe learning should never stop. Our credit and non-credit courses can provide training to enhance your performance at work, help you explore a new field, unlock a solution to one of life's problems or get you started with a new hobby. The Continuing Education Program at Trinidad State College is committed to serving local businesses with training to meet their needs and we are here to assist you in any way we can. If we are not able to provide the training you need, we would be happy to help you find a training provider to fit your unique needs.

Care Forward Colorado

Care Forward Colorado is revitalizing Colorado's healthcare workforce through **zero-cost**, short-term training programs at Trinidad State College. In a year or less, trainees can learn skills to become a **certified nursing assistant, emergency services professional, medical assistant** or **dental assistant** (Valley campus), professions that are desperately needed in Colorado's healthcare facilities. Students who enroll in one of these healthcare certificate programs will have tuition, fees, and course materials covered. Once you earn your certificate, you'll be in demand for jobs. Start your new health care occupation immediately or continue your education—or both!

Next Steps

All you have to do is apply to Trinidad State College trinidadstate.edu/apply and Apply for financial aid trinidadstate.edu/fia

Whatever financial aid doesn't cover, Care Forward Colorado will!
