## THE MONTHLY SCOOP

**TRINIDAD STATE CONTINUING & COMMUNITY EDUCATION**

### Looking for a career in multimedia art and design?

The Multimedia Design Online Training course equips you with the fundamental technical and conceptual skills for this challenging environment. You'll gain proficiency in the core tools for interactive development: Adobe Photoshop, Premiere Pro, and After Effects, and you'll learn to shoot and edit digital video. You'll also discover how to create images, pages, and motion graphics for web-based multimedia.

For additional information or to enroll, visit [careertraining.ed2go.com/tsjc/training-programs/multimedia-design/?Category=arts-and-design](https://careertraining.ed2go.com/tsjc/training-programs/multimedia-design/?Category=arts-and-design)
