2023**

THE MONTHLY SCOOP - TSC CONTINUING EDUCATION

Certificate in Data Analysis

Non-credit -- online certificate
Starts September 5th -- \$495.00

Data Analysis is quickly becoming one of the most sought-after skills in the workplace. Companies have vast amounts of data, but it is rare to have someone with the ability to analyze the data to see trends and make predictions. Add a whole new skill set to your portfolio, and make a big difference in the success of your organization by acquiring data analysis skills.

September is one of the best months for people in the workforce choose to develop a new skillset. It's not just children who head back to school this month.

This series is designed to give healthcare professionals the skills and confidence needed to communicate with Spanish-speaking patients. Start by gaining a strong foundation in the Spanish language that you will be able to build upon in the future. You will learn basic and more advanced medical Spanish vocabulary to help you provide better care for patients and their families. Starts Sept.13th, Oct. 18, or Nov. 15th
\$245.00

<https://www.ed2go.com/tsjc/online-courses/medical-spanish-course/>

Course is limited to 3 students.
September 12, 14, 19, and 21,
6-8 p.m. in Berg 401
Cost \$95 includes materials
donna.haddow@trinidadstate.edu

A graphic for a Chainsaw Maintenance Clinic. It features a large image of a chainsaw blade with wood shavings. The Trinidad State Lifelong Learning logo is in a dark blue diamond shape. Below it, the text 'CHAINSAW MAINTENANCE CLINIC' is in a yellow bar. Further down, the date and time 'Saturday, September 9, 2023, 9 a.m. to 1 p.m.' and the instructor 'Dan Wilson' are listed. The cost '\$10 (must be paid in advance)' and a limit of 10 people are also mentioned. A contact email 'donna.haddow@trinidadstate.edu' is provided for sign-up and tool recommendations.
