TRINIDAD STATE CONTINUING & COMMUNITY EDUCATION

DIGITAL ARTS CERTIFICATE

Looking to make your mark in the digital arts? The Digital Arts Online Training course will give you the education you need. You'll gain hands-on experience in fundamental technical and creative skills in digital imaging, traditional drawing, and digital illustration. You will master the intricacies of Adobe Photoshop and Illustrator, build your understanding of color and explore the representation of form through vector illustration and drawing.

Course is non-credit and online

Become an Excel Master

A must-have skill to succeed in business, whether an entrepreneur or a valued employee, is the ability to create, edit and manage spreadsheets. Microsoft Excel is the most used spreadsheet tool in the world. Stay current with this class, as it is always up-to-date and will change as the features of Excel change over time.

Examine the life of an Excel worksheet and workbook, from creation to presentation.

Learn how an Excel worksheet is constructed, populated with content, and edited for delivery. Master the options that can take your Excel worksheet from plain, drab numbers to exciting and engaging multimedia. You will leave class with a set of skills that are in high demand and will be a deciding factor in your future success.
