TRINIDAD STATE CONTINUING & COMMUNITY EDUCATION

Current Trends in Nonprofit Management

To effectively manage a nonprofit organization, leaders need to be aware of the current trends, challenges, and best practices that are shaping the sector. This course will provide an overview of the key topics that are the focus of today's nonprofit leaders. You will learn about the ways in which the nonprofit sector is changing, as well as some new approaches to leadership, strategic planning, marketing, and fundraising. This course will also explore how nonprofits can grow, sustain themselves in challenging times, and utilize data and technology to improve their performance and assess their progress.

\$79.00

Course is completely online
