**“An investment in knowledge pays the best interest.”**  
~Benjamin Franklin~

In addition to the numerous non-credit courses we offer online, credit courses are also available. With our online courses you can pick up a wide variety of classes without ever leaving your home! From Accounting to Sociology, more than a hundred courses are offered online. Art, History, Sociology, Psychology, English, Economics – it’s all there. Some classes are taught by instructors employed by the Colorado Community College System. Others are taught online by Trinidad State instructors and are noted as TSC Online in the class schedule.

**Discover Sign Language**

In this sign language course, you will learn to skillfully fingerspell, master an array of signs, and confidently engage in conversations using phrases and full sentences. Silent instructional videos throughout the sign language training course provide an immersion in the Deaf experience to showcase proper sign techniques, highlight the importance of facial expressions, and develop fluency for meaningful conversations in this elegant and expressive language.

6-week access to class for \$115.00
