TRINIDAD STATE CONTINUING & COMMUNITY EDUCATION

CREATE THE PATH  
TO YOUR FUTURE

YOUR STORY MATTERS! COME TELL IT ON  
*TRINIDAD STATE STORIES*

TRINIDAD STATE STORIES IS OUR NEW PODCASTING FORMAT THAT  
WILL FEATURE STORIES FROM STUDENTS, FACULTY AND STAFF, AND  
COMMUNITY MEMBERS FROM THE AREA.

Highlighting the voices, journeys, and impact  
of the people who shape our campus and  
community. Trinidad State Stories explores  
real stories of growth, innovation, and  
resilience—rooted in Southern Colorado and  
beyond. (Studio Space shown below)

## Registration for summer and fall classes is now open!

### Basic Precision Welding

May 25-29, 2026 - starts Memorial Day

This course will cover basic safety and  
hands-on instruction to introduce the  
student to various micro welding practices  
including small metal fixtures and parts with  
a small emphasis toward Gunsmith welding.  
If time allows, other types of welding may be  
covered by the instructor.

\$400+ \$17.55 registration fee = 40 hours of instruction

"In the age of AI, human creativity and innovation will become even more valuable in the workplace, as machines take over routine tasks and allow people to focus on generating new ideas and solutions."

~ Sundar Pichai, CEO of Alphabet ~

**Single Action Revolver Tuning**  
**June 1-5, 2026**  
**\$400 + reg fee \$17.55**

In this course students will be working on Ruger single action revolvers. We will explore the cycle of operation, timing, and how to perform a complete action job. This will reduce the trigger pull weight, trigger overtravel, along with cleaning up the entire feel of the action and increase reliability.

**Required Tools:**

- A working Ruger revolver. Such as, Blackhawk, Vaquero, Bisley, or a Wrangler
- A set of small screwdrivers for disassembly of your revolver
- Safety glasses
- Small brass hammer
- Ceramic stone set-Brownells 080-721-000WB
- A set of replacement performance springs from Wolff or another reputable spring company for your particular model of revolver.
- Ammunition for test firing at the range on Friday along with eye and hearing protection

For information or to register, contact Donna at 719-846-5724 or [donna.haddow@trinidadstate.edu](mailto:donna.haddow@trinidadstate.edu)

**IMPROVING DIGITAL LITERACY AND COMPUTER SKILLS**

This online digital literacy course helps you build confidence and competence in digital environments by mastering basic computer skills like file management, communication, online research, and troubleshooting. Emphasis is placed on digital organization, collaboration, and security to support smarter, safer online work. You will also cultivate a growth mindset and design a personalized strategy for lifelong digital learning.

Start anytime, 3 months access for \$101

**Main Topics Include:**

- Managing Information Online
- Online Tools
- Digital Safety Practices
