Adobe Certification in Premiere Pro, Photoshop, Illustrator, InDesign, & Animate (Vouchers Included)

In today's fast-paced digital media landscape, mastering Adobe software is essential. According to the U.S. Bureau of Labor Statistics, about 20,000 job openings are expected each year through 2034 due to workforce turnover and retirements, making obtaining certifications related to software, like Adobe, a valuable asset for standing out in this competitive field.

How much do graphic designers make?

According to Indeed, the average salary of a graphic designer in the U.S. is \$62,613 per year as of October 2025.

This 270 hour course is completely online and can be completed at your own pace (12 month limit).

Tuition is \$2,995.00- monthly payments may be available

Complete information is available by contacting Donna at donna.haddow@trinidadstate.edu to have the link emailed to you
or

Call 855-520-6806 to speak to an Ed2Go customer service representative. Successful completion of this course qualifies you to take the Adobe Certified Professional exam.
