

IMPORTANT NEW INFORMATION FOR STUDENTS

- The 2022 summer session has been shortened. The first week of classes will start on June 6th and the last week of classes will start on July 18th.
- All classes must be paid at the time of registration. Although your bill is paid at the time of registration, the TSC Business Office now requires that we collect a Student Payment Agreement on every student. A copy of this agreement is located in Appendix B, but will also be emailed to you at the time of registration.
- GI Bill/ /Voc Rehab/Financial Aid, etc.: Students using any of these options to pay for classes will need to provide debit or credit card information at the time of registration. Any balance remaining after your financial aid has been applied will be charged to that card.
- Classes are non-refundable with one exception: classes which TSC cancels due to insufficient enrollment, will be reimbursed in full. Classes with less than six students are subject to cancellation at the discretion of the College. We will make every effort to notify you of a cancellation at least four weeks in advance of the class. If you have extenuating circumstances that will prevent you from attending, please let us know.
- **IMPORTANT: GI Bill and Tools:** Effective January 1, 2020, tools for Gunsmithing/Summer NRA courses will not be eligible for reimbursement by the Veterans Administration/GI Bill. Students will be responsible for purchasing, and having available, the tools and materials listed in the description for each course in order to complete class projects. If you are unsure whether a particular tool is required to complete your project, please contact your instructor.
- Some courses list prerequisites. If you are unsure as to whether or not your education/training/life experience meets the stated prerequisites, please contact the course instructor.
- A variety of scholarships are available to students. Information is available on the TSC Educational Foundation's scholarship page. Please check with Sodexo Campus Services at 719-846-5629 if you have questions before you come so you will be prepared to eat in the cafeteria or plan to eat off campus.
