<b>TOTAL</b>			<b>60</b>	<b>\$12,205.14</b>	<b>\$272.65</b>	<b>\$1,223.60</b>	<b>\$13,701.39</b>

\*This amount includes \$153.35/credit hour student share of tuition, plus per-credit-hour fees: \$7.45 program fee, \$1.51 campus fee, \$5.49 student center bond fee, \$3.72 student activity fee, and \$2.16 technology fee for TSJC Online Classes. Students registered for 12 or more credit hours will also be charged the following per semester fees (not included in the table above): \$74.57 student union/athletic fees. For CCCOnline classes, the student share of tuition is \$263.20/credit hour, plus \$7.45/credit hour high-cost program fee and \$2.16/credit hour technology fee.

The student share tuition rate assumes that the student has applied for COF (College Opportunity Fund), which pays a stipend of \$40/credit hour toward the total tuition rate. Colorado residents not applying for COF will be billed the total resident tuition of \$193.35/credit hour (for TSJC Online) or \$303.20 (for CCCOnline), plus fees. For more information and to apply, visit [College Opportunity Fund](#).

\*\*These courses may require completion of additional prerequisite classes, resulting in increased cost and/or time to complete the degree. See Accuplacer instructions for more information.

\*\*\*NOTE: Tuition is based on the tuition rate for the 2020-2021 academic year. Cost of books is subject to change. Listed book prices are approximate (generally estimated on the high side), depending on availability of used or rental books vs. new. Prices listed above are based on new hard copy book pricing. Also, book pricing for each particular course assumes that the student has taken the previous listed courses, as some textbooks are used for more than one course. Prices for optional textbooks and shipping fees are NOT included.
