**Claudine Mussuto**

Claudine arrived in Trinidad nine months ago after a circuitous departure from a relationship in Manhattan. She's technically retired from a career in nonprofit administration, financial management, and grant writing, but has been a working artist for more than 20 years. Claudine is principally a conceptual painter working in acrylics on paper, but loves to write short stories, often in experimental forms.

**Brooke Larson**

Brooke has taught English at Trinidad State for the past few years, but is soon leaving for Kosovo as a Fullbright Scholar studying linguistics. She is both scholar and artist, and moves from prose and poetry to photography and video in incantatory offerings.
