Career Pathway: Human Services

Secondary Partner:

Program Name:

CIP:

Program ID:

Post-secondary Partner: Trinidad State College

Program Name: Human Services AAS

CIP: 51.1508

Program ID: AAS_4HSE

Secondary Program Description:

The field of Human Services is broadly defined, uniquely approaching the objective of meeting human needs through an interdisciplinary knowledge base, focusing on prevention as well as remediation of problems, and maintaining a commitment to improving the overall quality of life of service populations. The Human Services profession is one which promotes improved service delivery systems by addressing not only the quality of direct services, but also by seeking to improve accessibility, accountability, and coordination among professionals and agencies in service delivery.

Possibilities of Careers:

Social and Human Services Assistant

Employment Demand and Wage Data:

Social and Human Service Assistants - Assist in providing client services in a wide variety of fields, such as psychology, rehabilitation, or social work, including support for families. May assist clients in identifying and obtaining available benefits and social and community services. May assist social workers with developing, organizing, and conducting programs to prevent and resolve problems relevant to substance abuse, human relationships, rehabilitation, or dependent care. Employment of social and human service assistants is projected to grow 22 percent from 2012 to 2022, much faster than the average for all occupations.
