<p>Secondary Program Description: The Nursing Program is available on both Trinidad and Alamosa campuses. The Trinidad campus has a traditional schedule and an evening/weekend schedule to choose from. Both campuses offer the Practical Nurse exit option. This option allows the student to take short summer courses after the first year, then sit for their Practical Nursing boards. In addition, we do have an LPN to ADN option for those LPNs that would like to come back to school for their Associate Degree and eligibility to sit for the NCLEX-RN (RN) boards.</p>
