SICK LEAVE ACCRUAL FOR: WORK-STUDIES & HOURLY EMPLOYEES

Effective 01-02-21, work-studies started accruing sick leave at a rate of 0.0333 per hour.

In other words, they accrue one hour of sick leave for every 30 hours worked. Work Study employees in need of using sick leave will communicate with supervisor and then enter the time on the electronic time sheet on the Portal under Student Sick leave, always under Shift 1.

EXAMPLE: If work-study or hourly employee is working 4 hours per day Monday thru Friday, but on Friday employee is not feeling well and notifies supervisor that will not be showing up for work that day, employee will enter hours on electronic time sheet as follows: Monday through Thursday, will enter 4 hours each day under Work Study Regular Pay, or Regular, and on Friday will enter 4 hours under Student sick leave.

IMPORTANT !!! If employee is requesting sick leave for more hours that He/She is accrued the system will let the employee enter the hours, but it will not get paid if the accrued balance is less than the hours requested. It is important for employee to verify the accrued sick leave balance before requesting/entering sick leave on time sheet. See below:
