

How to Access the Online Library Database from Campus or Home

- Go to TSJC homepage: www.trinidadstate.edu,
- Click on the **About** tab,
- Next, you will click on **Departments**
- Then, click on **Library**

Next you will click on **Library Research Databases**

Next you will click on the upper right database named [EBSCO Host](#).

If you are logging in from home or certain computers on campus, you will need a library **username** and **password**.

They are:

Username: S8092625
