Trinidad Campus Spring 2015 Class List

How to Read a Class Listing

TSJC is proud to offer not only traditional classroom instruction, but also a variety of alternative approaches to education to ensure that your educational needs and individual learning styles are met.

The letters listed below are part of the Section Code (Sect) in the class List.

- H – Indicates the class is considered Hybrid, meaning a portion of the course work is online. This may result in reduced in-class time.
- P – Indicates the class is delivered via interactive video (Polycom) to additional sites.

The letters listed below are part of the Section Code (Sect) in the class List.

- PH – Indicates the class is both Polycom and Hybrid.
- C – Indicates this class is an online class delivered via CCConline
- T – Indicates this class is an online class delivered via TSJC.

Notice – The schedule of classes can and do change, for a current list please go to:

Valley Campus Spring 2015 Class List

How to Read a Class Listing

TSJC is proud to offer not only traditional classroom instruction, but also a variety of alternative approaches to education to ensure that your educational needs and individual learning styles are met.

The letters listed below are part of the Section Code (Sect) in the class List.

- H – Indicates the class is considered Hybrid, meaning a portion of the course work is online. This may result in reduced in-class time.
- P – Indicates the class is delivered via interactive video (Polycom) to additional sites.

The letters listed below are part of the Section Code (Sect) in the class List.

- PH – Indicates the class is both Polycom and Hybrid.
- C – Indicates this class is an online class delivered via CCConline.
- T – Indicates this class is an online class delivered via TSJC.

General Information

Spring 2015 Semester Calendar

Please pay special attention to the dates that classes begin and end. Note that leaving early or returning late may result in your grades being lowered.

Credit Hours

To be considered a full-time student at Trinidad State Junior College, you must be enrolled in at least 15 credit hours. Federal Financial Aid recognizes a student carrying 12 credit hours to be full time. If you are enrolled in a career or technical educational program, you may not take more than 26 credit hours without the approval of the program dean.

Arranged Courses

The abbreviation “TBA” means that the time, days, or locations are scheduled on an individual basis between student and instructor. Students are responsible for seeing the instructor to arrange their schedules.

Course Cancellations

The College reserves the right to cancel programs or courses, to change instructors, and to change times or locations of classes. The Dean’s office will have current, up-to-date information on scheduled classes.

Drops, Withdrawals and Repeating a Course

It’s important to know the drop and withdrawal dates for all your classes. The dates are listed on the academic calendar or your individual course syllabus. What’s the difference between “drop” and “withdraw”? If you drop a class before the census date, you will receive a tuition refund, and you will not lose College Opportunity Fund (COF) credits. You can withdraw between the census and withdrawal dates. It won’t affect your grade point average, however, you will not get a refund, and you will lose COF credits.

A student who earns a grade of D, F, or U may repeat the course once for the purpose of improving the grade point average (GPA). Both grades earned will be entered on the transcript; however, only the highest grade will be counted in calculating the cumulative grade point average. Duplicate credit is not granted for repeating a course. It is the student’s responsibility to drop or withdraw from

classes if they stop attending. Students can go to the Student Services Office on either campus to drop or withdraw from a class. If a student decides to withdraw from a class after the census, but before the last 20% of the class, and has a passing grade, the grade will be recorded as “W.” A “W” is not counted in computing grade point averages. If a student withdraws during the last 20% of the class, a regular grade will be assigned that does count in computing grade point averages. Requests for exception to this procedure may be made to the appropriate dean.

Tuition Refunds

If a student officially drops from classes prior to the class census date, a 100% refund of tuition will be made. There will be no refund if the student withdraws after the class census date. To be eligible for tuition refunds, students must officially withdraw through the Student Services Office and apply for the refund by presenting the completed documents to the Business Office. The College reserves the right to cancel course offerings where enrollment is too low to make a course educationally sound and/or economically feasible. Course cancellations will result in refund of tuition.

Registration Deadline

The deadline for registering for classes is the first Friday of class or as designated in the TSJC schedule. Students requesting to register after the deadline date must obtain approval from the departmental dean for late authorization and registration into a class after the deadline date.

Tuition Classification

Colorado law requires that students be classified as in-state or out-of-state for tuition purposes. Your tuition classification is based upon information supplied on the application for admission.

Students previously classified as out-of-state may have their classification changed through a Tuition Classification Petition process. Petitions and information concerning documentation may be obtained in the Registrar’s Office or the Student Services Office on either campus. Petition applications must be received by either the Registrar’s Office or Student Affairs Office by the first Friday of class each semester.

The tuition classification officer must request and maintain adequate documentation to support any applicant’s claim for change in status. The policy for tuition classification is outlined in the Colorado Community College System (CCCS) System President’s Procedure 4-40. For more information, go to <https://www.cccs.edu/wp-content/uploads/2013/09/SP4-40.pdf>

Appeal Procedures: When a decision is rendered and the student is not in agreement with the decision, the student may appeal the decision to the “Tuition Classification Panel” by contacting the Vice President of Student Affairs. The student will be required to present supporting documentation to a panel of institutional representatives for review and resolution. The student will be notified of the decision made by the appeals panel and the reasons behind the decision. The decision of the appeals panel is final.

Deadlines: Students have until the first Friday of each semester to submit a petition for change in Tuition Classification. Once the petition is submitted, the College will make a determination by census date.

Check Your Requirements

To earn a degree, students must satisfy all course and curriculum requirements for the curriculum under which they are registered and attain a cumulative grade point average of 2.0 or higher. Basic skills courses do not count toward a degree. Familiarize yourself with the provisions and regulations pertaining to your program. See your Advisor when in doubt. TSJC will make every effort to assist you in meeting requirements for graduation. Final responsibility, however, rests with you.

Transferability

Trinidad State Junior College has transfer agreements with Colorado’s four-year colleges and universities. These agreements ensure that if you successfully complete requirements for graduation with an Associate of Arts or Associate of Science Degree, you have fulfilled general education requirements and you will be granted upper division status at the receiving institution.

Each applicant for admission who has attended another institution or college may not disregard a previous collegiate record. Transfer students will be applying for admissions as a first-time freshman. A student who wishes to transfer to Trinidad State Junior College may do so provided that the student is in good standing at the college from which he/she wishes to transfer.

An official transcript must be sent directly to the college from the institution where the credits were earned. College transcripts will be evaluated prior to registration to ascertain acceptable credits that will apply to the student's program of study. Courses for which the student has earned a grade of "D" or "F" will not be accepted for credit. Students with a GPA below 1.5 may be admitted on academic probation.

In determining academic standing while attending TSJC, the GPA of a transfer student is computed on the basis of credits attempted at Trinidad State Junior College only and will not include credits and grade points earned at other colleges.

Up to 45 credits earned at regionally accredited colleges or universities or other approved educational institutions may be applied toward fulfilling TSJC program requirements.

Please see the Registrar for more information about accepted transfer credits.

Credit for Prior Learning

The Credit for Prior Learning or CPL program allows students to earn credit for learning that occurs outside the sponsorship of accredited post-secondary education institutions. CPL is not awarded for experience but for college-level learning which entails knowledge, skills, and competencies that students have obtained as a result of their prior learning experiences. See the Registrar for more information about how to be awarded credit for prior learning.

Transfer of credit for vocational courses is determined by the program director of the occupational program in which the student is seeking a degree. See the Registrar for more information about how to receive credit for vocational courses.

Residence Halls

There are four residence halls on the Trinidad Campus to house students. The

residence halls are staffed with two full-time housing employees, and a support staff of dorm assistants and resident hall assistants. Students living in the residence halls are required to have a meal plan through the dining hall. The food service company, Sodexo, strives to serve the students with a variety of menus, quality service, and unlimited seconds for most meals. For more information about housing go to: <http://www.trinidadstate.edu/students/housing>.

Immunization Requirements

Colorado Law requires that all full-time students born after January 1, 1957 show proof of immunization against measles, mumps, and rubella. Students residing in student housing are required to show proof of immunization against meningococcal disease or the student or parent/guardian must sign a waiver. Proof of immunization is required at the time of registration. Certification forms are available at the Student Services Office.

Student Health Insurance

TSJC does not require health insurance for non-athlete students. However, all student athletes must show proof of a student health plan. Trinidad State encourages all students to carry health insurance. For information on student insurance, see the Student Services Office on your campus.

TSJC Notification System

Students may sign up for the TSJC Notification System to receive text messages, phone messages and email notices regarding campus closures, campus emergencies and missing account information. To sign up for this service, login to the TSJC Portal and click on the Notify Me link.

Student Complaints

Students or prospective students who wish to file a complaint related to accreditation or grievance may submit a formal written Student Grievance in the Student Services Office of either campus, or at 600 Prospect Street, Berg Office 201, Trinidad, Colorado 81082, or by going online and filling out the form electronically at <http://www.trinidadstate.edu>. Complaints regarding accreditation can also be made by contacting the Higher Learning Commission, a commission of the North Central Association of Colleges and Schools, 230 North La Salle Street, Suite 7-500, Chicago, IL 60640-1411, telephone: 1-800-621-7440.

Military/Veterans and Their Families

Trinidad State Junior College takes pride in being able to meet the educational needs of military service members, their families and veterans, and is approved by the Colorado State Approving Agency for Veterans Education. Military tuition assistance, veteran's education benefits, and veteran's vocational rehabilitation are administered by the Financial Aid Office on both campuses.

Each semester, active duty military members and veterans using or wanting to use educational benefits must report to the Financial Aid Office after completing the enrollment process. To maintain your educational benefits in good standing with your Service and/or the Department of Veterans Affairs you must immediately inform the Financial Aid Office if you:

- drop, add or audit classes;
- stop attending classes;
- have a class canceled, withdraw or are withdrawn from classes or the college;
- are unable to attend classes; or
- make any changes to your enrollment status.

TSJC students using a military benefit must complete paperwork with the TSJC Financial Aid Office each semester. To make an appointment to review your benefits, verification, intent to register or related questions, contact Financial Aid at 719-846-5553 in Trinidad or 719-589-7024 on the Valley Campus. For more information, visit the TSJC Web site for the VA Checklist, verification timeline schedule or stop by the Financial Aid Office on either campus.

Student Bill of Rights

The Colorado Student Bill of Rights focuses on various aspects of student academic life including advising, transferability of credits, and degree completion.

One particular segment of the Student Bill of Rights notes that a student may formalize a plan to obtain a degree in four years. Trinidad State Junior College supports this timeline for graduation by publishing advising guidelines under which a student may expect to graduate or complete and provides degree checklists for each program or certificate offered. The checklists and advising guidelines are

available in the Student Services Offices of each campus and through degree check on the TSJC portal.

There are some majors, which may require additional degree requirements as recognized by the Colorado Department of Higher Education. For more information, or to read the Colorado Student Bill of Rights, go to <http://www.collegeincolorado.org/Academics/Transfers/Bills/hb1263.pdf>, or see your Advisor in the Student Services Office on either campus.

Student Rights/FERPA

The Family Educational Rights and Privacy Act (FERPA) of 1974 restricts the release of student information to the public without the consent of the student, except for directory information. Directory information includes name, Major field of study, enrollment status, dates of enrollment, major, degrees and honors earned, participation in officially recognized activities and sports. Additional items for college athletes are height and weight. The Solomon Amendment requires institutions receiving federal funds to provide additional directory information that includes address and phone number of enrolled students to the US Military. Directory information is limited to the current academic year only. If a student does not wish TSJC to release the directory information, a written request must be submitted in the Student Services Office before the end of the first week of classes. Your request will remain in effect until you formally cancel it. For

emergency purposes, contact the Registrar directly at 719-846-5550 for special accommodations.

Jeannie Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

The Clery Act Disclosure is accessible on the TSJC Website: <http://www.trinidadstate.edu>. Hard copies also available through the Student Services Office on each campus.

Sexual assault protocols and victims' rights provisions are described on the TSJC website at <http://www.trinidadstate.edu>

Victims are encouraged to report. Help is available.

Sex offender information is available at Colorado's Convicted Sex Offender website: <http://sor.state.co.us/>

Campus Security will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff.

Report crimes, violations, accidents, suspicious persons and incidents to Campus Security or through the Student Life Director at extension (719) 846-5517 on the Trinidad Campus or the Associate Dean of Student Services on the Valley campus at (719) 589-7050. If there is no immediate answer, dial 911.

Return of Title IV Federal Financial Aid

When a Title IV Financial Aid recipient completely withdraws from TSJC prior

to the end of the term, a refund of the aid will be calculated. The calculation will be based on the number of days attended compared to the total number of days in the semester. Withdrawal after 60% of the term is not subject to the return calculation. Aid used for tuition, fees, books, and room/board will be refunded by both the student and the College. For a complete outline of the return of the Title IV process please go to our Web site or see the TSJC Catalog.

Non-Discrimination

The College prohibits and will not tolerate discrimination or harassment that violates federal, state law, or Board Policy 3-120 or Board Policy 4-120. The College does not discriminate on the basis of gender (or gender identity), sex, race, color, age, creed, national or ethnic origin, genetic information, physical or mental disability, veteran status, pregnancy status, religion or sexual orientation.

The College complies with Titles VI and VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Education Amendments of 1972 (Title IX), the Age Discrimination in Employment Act, the Rehabilitation Act of 1973, the Americans with Disabilities Act, Pregnancy Discrimination Act of 1978, Vietnam Era Veterans Readjustment Assistance Act of 1974, Executive Order 11246, and sections 24-34-301, C.R.S. et seq., The Genetic Information Nondiscrimination Act of 2008 (Pub.L. 110-233, 122 Stat. 881, enacted May 21, 2008, GINA).

CCCOOnline Spring 2015 Class List

CCCOOnline is not a college! We are part of the Colorado Community College System of 13 two-year colleges in the state - including Trinidad State Junior College. CCCOnline delivers online courses from those 13 colleges.

If you are already a student at TSJC, you can register for CCCOnline and your on-campus classes at the same time. CCCOnline classes have their own unique section number C11, C12, C21 or C22, so you can easily tell them apart from Trinidad State Junior College's online courses or those you take on campus.

If you want to take online classes, are a new student and have not yet applied to one of the 13 Colorado community colleges, visit www.cconline.org and explore the programs and courses we offer.

All students who take CCCOnline courses must select a home college that offers the degree or certificate they want to pursue.

- Keeps your Records
- Provides transcripts
- Processes your college application
- Provides career counseling
- Helps you transfer your credits
- Issues your degree or certificate
- Takes your tuition payment

The State of Colorado historically subsidized higher education for in-state students by giving money directly to the colleges. In 2004, the Colorado Legislature enacted a new law establishing the College Opportunity Fund (COF). Under this new law, the State gives this money for the subsidy to students by sending it to the institution the student designates. This money, known as College Opportunity Fund stipends, will be applied to an in-state student's tuition if the student applies for and authorizes the use of the stipend. The college you are attending will receive the money and it will appear as a credit on your tuition bill. Currently the College Opportunity Fund (COF) stipend is estimated to be worth \$64.00 per credit hour.

****Other fees may apply.***

ESTIMATED TUITION CALCULATION

Total estimated base in-state tuition \$183.50
 Minus estimated "College Opportunity Fund Stipend" \$64.00
 Student's estimated share of in-state tuition \$119.50

All Colorado resident students are eligible, but you must sign up to receive COF funds. Go to:

Three employees have been chosen for honors by their peers at Trinidad State

Judy MacLaren - Faculty Member of the Year

Chosen as Faculty Member of the Year was **Judy MacLaren**. She's a math and chemistry professor at Trinidad State's Trinidad Campus. She's been a full time instructor since 1991. Before that she taught math and science at the high school level. "I like the interaction I have with the students," said MacLaren. "I enjoy when I see understanding in their faces." In

addition to teaching, MacLaren coordinates the Upward Bound Science and Math program in the summer at Trinidad State.

Darci Duran - Administrative/Professional/Technical Employee of the Year

In the Administrative/Professional/Technical category **Darci Duran** was selected to be honored by co-workers. She came to work on the Valley Campus in Alamosa in November of 2012 as Distance Learning Specialist. Before that she worked at Pueblo Community College and Eastern Wyoming College. "I have a passion for how technology can enhance learning and I have the opportunity to actively pursue my passion projects at TSJC," said Duran. "I feel supported and inspired by the faculty, staff and students. This has become my second family."

Josh Jones - Classified Employee of the Year

Chosen by his peers as top Classified Employee of the Year is Campus Maintenance Director **Josh Jones**. Jones came to the Valley Campus in Alamosa in November of 2012 from Yes! Communities of Colorado Springs.

"What makes Trinidad State so special is the fact that we have so many hard working people that will do whatever it takes to persevere and insure that we are giving the best possible foundation for generations to come," said Jones. "The fact that everyone in the school cares about others makes Trinidad State an employer like no other."
